

Shades of Pickwick and the Fat Boy!

The hospitality of the one and the hunger of the other meet at Pickwick Arms! A Tudorinn, situated in the heart of Westchester, modern in equipment, moderate in cost. A retreat for Winter, a rendezvous for Christmas rejoicing. Food instead of cuisine, prepared by a chef who knows he's a cook instead of by a cook who thinks he's a chef! As fine as any New York hotel in its appointments, and infinitely finer in its facilities for a good time. Less than an hour from Manhattan. Pack your grip and come for the week-end.

CHRISTMAS MAIL RECORDS SMASHED

New York Office in Single Day
Handled 8,474,590 Letters
and Packages.

Edward M. Morgan, Postmaster of New York, said yesterday that the business of the local office so far during the holidays had been the biggest in its history. To handle the Christmas mails Mr. Morgan put 2,500 temporary clerks to work to assist the 15,000 regular employees, most of the new men being former soldiers or college graduates. Sixteen auxiliary substations have been opened in the public schools, which will keep open until after Christmas as late as is necessary to accommodate patrons. Mr. Morgan also has added 414 motor trucks to the 275 ordinarily used, and has added seventy horse drawn vehicles to the seventy already in use.

Inspectors Collis and Schab and Superintendent Kleier, who are reorganizing the Department of Mails of the New York office, said that on Tuesday the outgoing mails handled 7,915,254 letters and 559,336 parcel post packages. The incoming mails are almost as large. The total increase in parcel post business over last year, they said, is more than 10 per cent.

MOTORCYCLE COP RUN DOWN BY WOMAN'S CAR
Mrs. Thompson to Face Charge; Brother Court Clerk.

Motorcycle Patrolman Joseph F. Dunn was run down in Ocean Parkway, near Foster avenue, Brooklyn, last night by Mrs. Loretta C. Thompson, a widow, 217 East Fourteenth street, who is a sister of Detective Martin Owens of the automobile squad. Dunn was riding ahead of Mrs. Thompson's car when he was struck. He was knocked to the roadside and his left leg fractured. Mrs. Thompson was charged with assault at the Parkville station and will be arraigned to-day in Flatbush Court, where her brother, Louis Owens, is chief clerk. Patrolman Dunn is a Police Department lecturer on traffic control.

GLICKSTEIN SLAYER INSANE, ALIENISTS FIND
Four Announce Conclusions After Four Day Study.

Four alienists retained by the defense to ascertain the mental condition of Mrs. Lillian Schaffer Raizen, who killed Dr. Abraham Glickstein on December 10, have decided that she was insane when she shot the doctor and that she is insane now. While they have not stated what form her insanity has taken, it is understood they feel she has a tendency toward paranoia, a dangerous form of mental disturbance, which in her case arises from a feeling of persecution. The alienists reached their conclusions after a four day study of the prisoner at the Raymond street jail. They also analyzed letters from Florida by Mrs. Raizen in the weeks preceding the Saturday Dr. Glickstein was shot.

2 DETECTIVES CLEARED OF TAKING GRATUITIES
Andrews and Scott Likely to Rejoin Force.

Judge McIntyre in General Sessions yesterday dismissed indictments against Detectives George J. Andrews and George Scott, former members of the automobile squad, who were charged with accepting gratuities. George N. Brothman, Assistant District Attorney, in moving dismissal of the cases called attention to a ruling of Judge Tailey that the testimony of a man who has given a gratuity is that of an accomplice and cannot be accepted unless corroborated by a witness. Andrews was alleged to have accepted \$100 for the recovery of an automobile and Scott \$50. Brothman said Scott had complied with the rules by turning over half of the sum to the police pension fund. The detectives were indicted last January. At that time Andrews also was indicted with Chief Inspector Labey, but this indictment was dismissed. Scott and Andrews have been under suspension, but it is expected they will be restored to the force at once.

NO ARMY JOB BUREAU.
Notices sent out that the United States army would operate an employment service, aiding men not qualified for army enlistment to other work, proved yesterday to have been misleading. Col. B. W. Atkinson, in charge of the recruiting office at 39 Whitehall street, said that he had authorized no such announcement, and he did not know who was responsible for it. About 200 men who have applied at the recruiting offices for work have had to be turned away.

Two Boys Get \$123,000; Parents Die in Wreck

BUFFALO, Dec. 21.—A jury in United States Court here tonight awarded to David and Patrick Doherty, 4 and 6 years old, a verdict for \$123,000 against the Director-General of Railroads. Their father, Patrick Doherty, of Flint, Mich., was killed in the wreck of a passenger train at South Byron on January 12, 1919. Last April the boys received an award of \$28,000 damages for the death of their mother, killed in the same accident. The complainants demanded \$1,000,000 damages for the death of Mr. Doherty, contending that he was earning \$30,000 a year at the time of his death. He was 35 years old.

LIMITED HOME RULE IS REALTY MEN'S STAND

See Danger of Injustice to Home Owners in City.

Although approving the general plan of home rule for this city, the Real Estate Board of New York in a statement issued yesterday said that there should be limits to it. One matter that needed limitation, said the board, was the extent "to which the State or the city through the so-called State police power can take the property of one citizen and give it to another."

In Manhattan only 2 per cent. of the heads of families own their homes; in The Bronx, 8 per cent.; Kings, 20 per cent.; Queens, 35 per cent., and Richmond 42 per cent. "It would be the rankiest injustice," said the board, "to grant to the city of New York such absolute home rule as would permit the majorities in the boroughs of The Bronx and Manhattan to interfere with the property rights of the home owners of the other boroughs."

GARMENT WORKERS ASK PERMANENT INJUNCTION

Charge Unlawful Plot to Break Contract.

A brief was filed by William Klein, attorney for the Cloak, Suit and Skirt Manufacturers Protective Association, and final memoranda was submitted yesterday to Justice Robert F. Wagner of the Supreme Court by Morris Hillquit and Samuel Untermyer, counsel for the International Ladies Garment Workers Union, in the injunction suit brought against the manufacturers by the union. The attorneys for the union declare that the resolution adopted by the Protective Association on October 25, ordering its members to reintroduce the piecework system, to lengthen hours and reduce wages, constitutes an unlawful conspiracy to deprive the workers of their rights under the contract of May, 1919, and drawn to be operative until next June. Union counsel states that the defendants' denials are not sufficient to justify a refusal of the application for a continuance of the preliminary injunction, which has already been granted by the court.

LITIGATION HEAVILY INCREASED IN 1921

Divorces Alone Show Decrease in Number.

Litigation of all kinds except matrimonial has been heavily on the increase during 1921, according to partial figures made up yesterday by County Clerk William F. Schneider, who on January 31 will file a report giving the full year's account of the business of his office. Up to noon yesterday 49,100 complaints were filed in the Supreme Court, the highest number since the court was established, the next highest being in 1918, when 41,899 were filed. If the pace of the year holds till New Year's eve 51,500 will have been recorded. The divorce calendar for the unfinished year shows a falling off. To December 21 of last year 1,234 cases were filed, while for the same period this year, or up to yesterday, only 1,107 were filed.

BOY, 4, IS FOUND DEAD.

MURDER SAYS DEATH

Skull Fractured by Fall, Assert Police.

The body of Gilbert Bein, 4 years old, of 25 East Houston street, was found by his father, Max, yesterday afternoon in the cellar of 217 East Houston street. A physician examined the body and said that he had died from a fractured skull, sufficed, it is believed, when he fell down a flight of stone steps leading into the cellar. Bein said last night that he believed his son had been murdered, and told the police that a sixteen-year-old boy had been seen acting suspiciously in the vicinity during the afternoon. The police, however, declared that their investigation had showed the boy's death was accidental and that they would not investigate further.

AUSTRIA HAS FRIENDLY COMPACT WITH CZECHS

Agree on Arbitration, Guarantee Territory and Peace.

Special Cable to THE NEW YORK HERALD. Copyright, 1921, by THE NEW YORK HERALD. VIENNA, Dec. 21.—The political agreement between Austria and Czechoslovakia submitted to Parliament to-day shows that the two States have entered into relations of the most friendly nature. Apart from the stipulation that differences are to be submitted to arbitration, a mutual guarantee of the respective territories is provided and political and diplomatic support is envisaged which will insure inviolability if one is attacked and the other assured of neutrality.

No political or military measures against the safety of the other partner is to be tolerated and both States agree to inform each other of all treaties entered into. The present agreement has been signed for five years, but can be withdrawn after three years upon six months' notice.
